

KINGQUAD 400FSi CAMO

The KingQuad 400FSi CAMO is not eligible for sale in California per California Air Resource Board (CARB) off-highway vehicle (OHV) regulations.

OVERVIEW

In 1982, Suzuki introduced the world's first four-wheel ATV. Today, Suzuki ATVs are everywhere. From the most remote areas to the most challenging tasks, you will find the KingQuad powering a rider onward. Across the board, our KingQuad lineup is an exceptional group of ATVs. Ready to take you on your next outdoor adventure, the 2025 Suzuki KingQuad 400FSi Camo is wearing True Timber® Kanati pattern camouflaged bodywork and riding on strong, steel wheels shod with aggressive 25-inch Carlisle® tires.

Ideal for riders who favor a sportier performance, this camouflaged KingQuad features a five-speed manual-shift transmission and semi-automatic clutch. This engine is always willing as it cranks out an impressive amount of torque and has an incredibly wide powerband for exceptional performance on the trail or on the job. A long-lasting, high-performance iridium spark plug and refined Pulsed-secondary AIR-injection (PAIR) system help provide outstanding fuel efficiency and impressive performance.

True Timber Kanati

2025

KEY FEATURES

- True Timber® Kanati pattern camouflaged bodywork features sharply angled, high-clearance fenders while the full steel cargo racks help tackle any ranch or outdoors task.
- The KingQuad 400FSi's fuel-injected, 376cc, four-stroke, four-valve engine produces efficient power and drivability. Class-leading fuel injection smooths power output and provides excellent cold starting. This system uses 3-D maps for optimum fuel injection and ignition to provide a responsive throttle and emissions compliance.
- Durable five-speed manual transmission with semi-automatic clutch with reverse allows the rider to select the ideal gear for maximum traction and fuel efficiency.
- Select 2WD or 4WD with the flip of a handlebar-mounted lever. The shaft drive system is dependable, durable, and is virtually maintenance-free.
- Independent front A-arm suspension and a dual-shock rear suspension offers smooth performance and remarkable ground clearance with 6.7 inches (170.1 mm) of front and rear wheel travel.
- Dual front hydraulic disc brakes feature calipers with large, 34mm pistons and wide brake-pad surface areas for ample stopping power while providing outstanding durability.
- Large, 4.2-gallon (16.0 L) fuel tank provides outstanding riding range. Suzuki's legendary and plush T-shaped seat is comfortable for short or long rides.
- Large, 25-inch Carlisle® tires with aggressive treads offer consistent traction in wet conditions, yet make for a quiet, smooth ride on hard-packed trails. The tires are mounted to rugged steel wheels that are powder-coated with a durable matte black finish.
- Each new KingQuad is supplied with a two-year Limited Warranty that is much longer than other ATV warranties. Longer coverage and other benefits are available through Suzuki Extended Protection (SEP).

ENGINE

- The KingQuad 400FSi Camo's fuel-injected, 376cc, four-stroke, four-valve engine produces efficient power and drivability.
- Suzuki's class-leading fuel injection smooths power output, especially in the mid- to high- range, and provides excellent cold starting. The system uses 3-D maps for optimum ignition, creating responsive yet environmentally compliant performance.
- Suzuki Advanced Cooling System (SACS) uses an oil cooler and thermostat-controlled cooling fan to shed engine heat during hard work or cargo hauling.
- Push-button electric starting has a start-in-gear function—when the rear brake is applied—allowing starting without shifting to neutral (as conditions permit).
- The Engine Control Unit (ECU) has slip control logic, which adjusts fuel injector duration and timing to improve rideability and grip in loose/slippery conditions.
- Highly efficient iridium spark plug helps deliver outstanding acceleration, high fuel efficiency and durability.
- Pulsed-secondary AIR-injection (PAIR) system and catalyst-equipped exhaust system help the KingQuad 400 FSi Camo comply with Environmental Protection Agency (EPA) emission standards while maintaining an elevated level of performance.

TRANSMISSION

- Five-speed transmission with semi-automatic clutch with reverse allows the rider to select the ideal gear for maximum traction and fuel efficiency.
- Select 2WD or 4WD with the flip of a handlebar-mounted lever. The shaft drive system is dependable and durable and is virtually maintenance-free.
- Torque-sensing limited-slip front differential provides maximum traction and light steering when in 4WD mode.
- High/low selectable sub-transmission provides wide-ranging versatility.
- Automotive gate-type gearshift lever lets the rider conveniently choose high or low range, neutral, or reverse.
- The ECU has a Reverse Mode that monitors vehicle speed, so higher engine RPM can be used when getting out of mud or loose soil in reverse mode.

CHASSIS

- True Timber® Kanati pattern camouflaged bodywork features sharply angled, high-clearance fenders.
- Suzuki's exclusive T-shaped seat delivers rider mobility during sport riding or tackling difficult terrain. It is also plush for extended riding comfort.
- Overall length is under 82 inches (208 cm), so the KingQuad fits into a 6.5-foot truck bed for easy transportation.
- Independent front A-arm suspension offers smooth performance and remarkable ground clearance with 6.7 inches (170.1 mm) of wheel travel.
- A swingarm rear suspension with 6.7 inches (170.1 mm) of wheel travel and twin shock absorbers provide agile handling and plush riding.
- Dual front hydraulic disc brakes feature calipers with large, 34mm pistons and wide brake-pad surface areas for ample stopping power while providing outstanding durability.
- Large, 25-inch Carlisle® tires with aggressive treads offer consistent traction in wet conditions, yet make for a quiet, smooth ride on hard-packed trails.
- The tires are mounted to rugged steel wheels that are powder-coated with a durable matte black finish.
- Lightweight and durable plastic skid plates are sturdy to withstand trail pounding, yet slippery to help obstacles slide under easily.

UTILITY/CONVENIENCE

- Dual 35-watt headlights (with high- and low-beam settings) are part of the distinctive KingQuad grille appearance. A bright tail light helps make the ATV visible in dark conditions.
- Heavy-duty front and rear cargo racks let the rider take advantage of the ATV's superb load capabilities. Wrinkle paint finishes on the racks and front bumper are durable and scratch resistant.
- LCD instrumentation includes speedometer, odometer, trip meter, hour meter, clock, fuel gauge, and indicators for reverse, neutral, oil and FI (fuel injection).
- Automotive-style DC power outlet is included on front fender.
- Winch-ready mounts and wire conduit make winch installation simple.
- Large, 4.2-gallon (16.0 L) fuel tank provides outstanding riding range.
- Full floorboards with integrated, raised footpegs.

ADDITIONAL

- Suzuki's 24-month limited warranty is much longer than other ATV warranties. Longer coverage and other benefits are available through Suzuki Extended Protection (SEP).
- A variety of Genuine Suzuki Accessories are available, including winches, windshield, front and rear bumpers, snowplow, aluminum skid pans, rack extensions, utility box, and more.
- Minimum rider age: 16 years old
- For more details, please visit www.SuzukiCycles.com.

SPECIFICATIONS

ENGINE

Engine:	376cc (22.94 cubic in.), 4-stroke, air-cooled with SCAS, OHC single cylinder
Bore x Stroke:	82.0 mm x 71.2 mm (3.228 in. x 2.803 in.)
Compression Ratio:	9.0:1
Fuel System:	Suzuki electronic fuel injection
Starter:	Electric
Lubrication:	Wet sump

DRIVETRAIN

Clutch:	Dry shoe, automatic, centrifugal type
Transmission:	Automatic variable ratio (V-belt), with high/low range and reverse
Driven Wheels:	2WD and 4WD
Final Drive:	Shaft drive

CHASSIS

Suspension, Front:	Independent, double wishbone, coil spring, oil damped
Suspension, Rear:	Swingarm type, coil spring, oil damped
Brake, Front:	Disc brakes, twin rotors
Brake, Rear:	Single drum brake
Tire, Front:	AT25 x 8-12, tubeless type x 2
Tire, Rear:	AT25 x 10-12, tubeless type x 2
Fuel Tank Capacity:	16.0 L (4.2 US gal.)

ELECTRICAL

Ignition:	Electronic ignition (transistorized)
Headlight:	12V 35/35W (HS1) x 2
Tail Light:	12V 21/5W

DIMENSIONS

Overall Length:	2060 mm (81.1 in.)
Overall Width:	1145 mm (45.1 in.)
Overall Height:	1220 mm (48.0 in.)
Wheelbase:	1270 mm (50.0 in.)
Ground Clearance:	250 mm (9.8 in.)
Seat Height:	840 mm (33.1 in.)
Curb Weight:	279 kg (615 lb.)

WARRANTY

Warranty:	24-month unlimited-mileage limited warranty <i>Longer coverage periods with other benefits are available through Suzuki Extended Protection (SEP).</i>
